## **FR. BOB'S UTTERINGS**

### **The Most Holy Body and Blood of Christ** **Corpus Christi**

*A St. Cletus parishioner shared this remarkable article with me just a couple of weeks ago. It is what this great feast day of Corpus Christi is all about. **WHO CAN DOUBT THE REAL PRESENCE?** "On the evening of the last day of his October 1995 visit to the United States, Pope John Paul II was scheduled to greet the seminarians at St. Mary's Seminary in Baltimore. It had been a very full day beginning with Mass at Oriole Park at Camden Yards followed by a parade through downtown streets; a visit to the Basilica of the Assumption, the first Cathedral in the country; lunch at a local soup kitchen run by Catholic Charities; a prayer service at the Cathedral of Mary Our Queen in north Baltimore and finally a quick stop at St. Mary's Seminary."*

*"The schedule was tight so the plan was to simply greet the seminarians while they stood outside on the steps. But, Pope John Paul made his way through their ranks and into the building. His plan was to first make a visit to the Blessed Sacrament. When his wishes were made known, security personnel quickly flew into action ahead of the Pope. Their activities included a sweep of the building, paying closest attention to the chapel where John Paul would be praying. For this purpose highly trained dogs were used to detect any persons who might be present."*

*"The dogs are trained to locate living people in collapsed buildings after earthquakes and other disasters. These intelligent and eager canines went through their rounds in the halls, offices and classrooms quickly and were then sent into the chapel. They went up and down the aisles, past the pews, and finally into the side chapel where the Blessed Sacrament is reserved. Upon reaching the tabernacle, the dogs sniffed and whined and pointed, refusing to leave. They were convinced that they discovered someone there and firmly remained, their attention riveted on the tabernacle, until called out by their handlers."*

*"We Catholics know they were right; they found a real, living Person in the tabernacle!" Something for all of us to think about on this Feast of Corpus Christi!!! (Martha Chai and written by Linda Brenegan of Baltimore, MD for the Gospa Mission Newsletter)*

*Yours in the Eucharist,  
Fr. Bob*

### **Thank You from LifeSource**

*On behalf of LifeSource-Chicagoland's Blood Center and area patients in need of blood products, THANK YOU for all the blood donations at your St. Cletus blood drive!*

*A total of 53 people presented to donate. This resulted in 41 pints of blood collected! Since one blood donation can save up to 3 individuals, the units collected at this drive will potentially save 123 lives!*

*All who generously volunteered to donate their time and blood at this drive should know that their efforts will help to save cancer patients, critically ill newborns, severely burned patients, transplant patients, accident victims and many more who have illnesses requiring blood products.*

*I look forward to working with you on future blood drives.*

*Thank You,  
Joanne Hall*

#### SOLEMNITY OF THE MOST HOLY BODY AND BLOOD OF CHRIST

**Plenty to go around** — Science continues to confirm that the old adage “You are what you eat,” is more than just a metaphor. Every time we sit to eat with one another, the physical matter we take in becomes our physical existence. So what does this mean for the Eucharist, when we eat of Christ’s flesh? Do we then really become Christ’s flesh? Yes, exactly! The church has confirmed this miracle over and over again. Look only to Saint Augustine’s *Confessions* to read that the Lord came to him and said, “I am the food of grown men; grow, and you shall feed upon me; nor shall you change me, like the food of your flesh, into yourself, but you shall be changed into me.”

TODAY’S READINGS: *Genesis 14:18-20; 1 Corinthians 11:23-26; Luke 9:11b-17*

*“All ate and were filled. What was left over was gathered up, twelve baskets of broken pieces.”*

### MONDAY, JUNE 11- FEAST OF BARNABAS, APOSTLE

#### Good guides needed

Have you ever mentored someone as a godparent, confirmation sponsor, or RCIA companion? When you originally make the commitment, you never know how it will turn out. Will this baby be raised in faith by the parents? Will this teenager remain active in the church once it’s his/her turn to choose? Will this adult convert stay faithful to this decision or lose heart? In the first century, when it was Barnabas’ turn to offer guidance, he agreed to sponsor the unpromising Saul, persecutor of Christians. Sometimes a good mentor is all it takes.

TODAY’S READINGS: *Acts of the Apostles 11:21b-26; 13:1-3; :1-12*

*“Mark 5Then Barnabas went to Tarsus to look for Saul, and when he had found him, he brought him to Antioch.”*

### TUESDAY, JUNE 12 -

#### Let your light shine

Some structures are built to fit into the environment like they belonged there. Frank Lloyd Wright, for example, wanted his buildings to echo the landscape so they could disappear into it like a whisper. Other architects build strictly to dazzle or amaze the eye, to stand out and be seen, like the Chrysler Building in New York, the Disney Music Hall in Los Angeles, or the new museum in Denver. When a structure is built on the most visible site around, chances are the builder wants to attract (positive) attention. We are “the city on a hill” for a reason.

TODAY’S READINGS: *2 Corinthians 1:18-22; Matthew 5:13-16*

*“You are the light of the world. A city built on a hill cannot be hid.”*

### WEDNESDAY, JUNE 13

#### FEAST OF ANTHONY OF PADUA, PRIEST, DOCTOR OF THE CHURCH

#### A saint among saints

Some people need only a nickname. Say “The Champ,” and most folks will know you mean Muhammad Ali. There have been lots of heavyweight boxing champions, but “The Champ” can mean only one. In 13th-century Padua, all you had to say was “The Saint,” and everyone knew you were talking about Saint Anthony, the great Franciscan preacher, theologian, scripture scholar, and wonder-worker who continues to be one of the most popular saints ever.

Today, try this prayer to “The Saint”: “O holy Saint Anthony, gentlest of saints, your love for God and charity for God’s creatures made you worthy, when on earth, to possess miraculous powers. Encouraged by this thought, I implore you to obtain for me this my request. O gentle and loving Saint Anthony, whose heart was ever full of human sympathy, whisper my petition into the ears of the

sweet infant Jesus, who loved to be folded in your arms; and the gratitude of my heart will ever be yours. Amen.”

TODAY’S READINGS: *2 Corinthians 3:4-11; Matthew 5:17-19*  
*“Such is the confidence that we have through Christ toward God.”*

### THURSDAY, JUNE 14

#### Seeing is believing

Anger can be a difficult thing. In response to an injustice, anger is righteous and can spur positive action to right a wrong. At the same time, some have called anger a “secondary emotion,” a substitute reaction for another feeling like sadness or fear. And for some people, anger is the default reaction to a frustrating situation and method number one for dealing with problems.

Whatever its source, anger becomes a problem when it destroys—when it turns into rage, even violence. Jesus saw how unchecked anger can lead to far worse things. He called on his disciples to get past the anger response and seek reconciliation instead. Where can you defuse conflict before it flares into anger?

TODAY’S READINGS: *2 Corinthians 3:15-4:1, 3-6;*

*Matthew 5:20-26*

*“If you remember your brother or sister has something against you, leave your gift at the altar and go be reconciled.”*

### FRIDAY, JUNE 15

#### SOLEMNITY OF THE MOST SACRED HEART OF JESUS

#### The heart of the matter

If you were raised in a Catholic home, you probably have a memory of a statue or picture of the Sacred Heart of Jesus. You may have looked at it a thousand times without really “seeing” it. Take a moment today to recollect the image as vividly as possible. Recall that the heart is the symbol for, among other things, love, charity, understanding, compassion, and courage. Remember that it is a key organ in the human body, connecting the spiritual with the material, the mind with the body, the intellect with emotions. Then reflect on the ways that the love of Jesus has sustained you every day of your life.

TODAY’S READINGS: *Ezekiel 34:11-16; Romans 5:5b-11; Luke 15:3-7*

*“Which one of you, having a hundred sheep and losing one, does not leave the ninety-nine and go after the one until he finds it?”*

### SATURDAY, JUNE 16

#### FEAST OF THE IMMACULATE HEART OF MARY

#### The pure heart wills the one thing: God

The origins of the feast of the Immaculate Heart of Mary may seem naive and remote to contemporary Catholics as it began in the 1940s in response to a request attributed to Our Lady of Fatima and had as its purpose the conversion of Russia. But the need to turn one’s heart or the heart of a nation to God is never out of date. Today’s gospel recalls the boy Jesus, restored to his worried mother and father explaining that he “had to be in my Father’s house” or as it may also be translated, “I must be about my Father’s work.” We may mark this day by recalling our own task, our role as baptized Christians: to hold up in prayer each part of the broken world.

TODAY’S READINGS: *2 Corinthians 5:14-21; Luke 2:41-51*

*“Why were you looking for me? Did you not know that I must be in my Father’s house?”*

***Dear Partners in Mission:***

***I recently shared with you the story of Jorge Hernandez, a coffee grower in Guatemala, who received livestock and training from Heifer International. As you may recall, Jorge watched as years of hard work and his livelihood washed away during Hurricane Stan. Fortunately, during the storm's aftermath, Jorge and other members of the La Voz cooperative received flocks of chickens from Heifer. The chickens provided a steady supply of eggs and a good source of income, so that the group was soon on its way to a quick recovery.***

***Jorge's story is an excellent example of Heifer's work in action. However, this is but one of many "success" stories brought about because of caring friends like you. It is you who makes our work possible. And every day I give thanks that Heifer is blessed with the support from friends like you that continues to make a difference in the lives of families in need. Thank you.***

***With sincere appreciation,

**Catechists Needed** — A humble Thank You to all of the wonderful parishioners who responded to my plea for volunteering to become a catechist. My catechist-needed number began at 20, and I am currently needing 10 more giving, caring, loving adults to step forward and answer the call of the Spirit to help our R.E. Program. I am praying that the parishioners who told me “they would think about it” will call me with a “YES!” Again, thank you AND KEEP PRAYING for us!

**New Hymnals Have Arrived!**

As you have already noticed, our brand new Gather Comprehensive hymnals are in the pews this weekend. Thank you to Debbie Lestarczyk and our maintenance staff for coordinating the movement of literally thousands of books; to Jolene Hillgoth and the school children who helped by sticking labels on more than 1000 hymnals; to our teens who spent their service hours removing the "old" hymnals from the pews.

As was announced last week, we begin the practice of a congregational song at the communion meditation this weekend. This will occur every other week at our Masses, and I encourage you to sing along with our cantors and take advantage of the opportunity to learn the new songs that will be woven into our musical repertoire. Look for future articles highlighting features of these new hymnals. I am grateful for the continued support of the St. Cletus Music Ministry, and for the weekly generosity of so many that allows us to purchase these beautiful new books that will enhance our liturgy for years to come!

## Dear Parishioners:

Thank you for the opportunity to serve all of you as St. Cletus Student Council President. It has been a fun and productive year.

This year, every Student Council Meeting began with a prayer and the following Bible Verse:

***“If it is encouraging, let him encourage; If it is contributing to the needs of others, let him give generously, if it is leadership, let him govern diligently, if it is showing mercy let him do it cheerfully.” - Romans 12:8***

I know the Student Council was an example of this verse as we tried to do our best to benefit the school, students, and our community. Working together we've accomplished so much this year. As I reflect back on our accomplishments I am proud of what we've done together.

- We started working together right after elections of last school year as we began preparing for Red Ribbon Week. The Student Council organized a week filled with activities. We had coloring contests, slogan contests, and raffles.
- We sponsored the annual September homecoming dance for seventh and eighth graders. The dance was well attended and was a lot of fun.
- We organized a buddy system between the grades. The purpose of this was to bring different grades closer together and allow all of us to help each other.
- The Student Council invited St. Nick to visit all the grades on December 6. Students might remember the candy canes that were delivered to the classrooms and also the dress down day that was gifted.
- In January, during Catholic Schools Week, Student Council members spoke at Sunday Masses, on behalf of the entire school, and thanked you, the parishioners, for your support. We really appreciate your support of Catholic Education!
- In February, during Catholic Schools Week, the Student Council gifted all of the grades ice cream treats to show our appreciation on Student Appreciation Day. I hope everyone enjoyed it!
- On Ash Wednesday, we started the “Pennies From Heaven” fundraiser which benefited the Heifer Project. We held this fundraiser for the forty days of LENT — from Ash Wednesday through Easter. This was the most successful fundraiser the Student Council has had this year. We raised over \$1,815.00 dollars. With this money we bought: two sheep, two llamas, two cows, a goat, a pig, five flocks of chickens, a trio of rabbits, and honeybees. It just shows that when we all help each other, even pennies can make a difference. Thank you to everyone at the school for your contributions.
- In March we hosted the March Madness Dress Down Day. We had fun wearing our favorite college team's colors. In trade for a dress down day, the Student Council collected food for the St. Cletus Food Pantry. We really helped Mrs. Ford stock the shelves. Thank you students and families for your donations — we helped to feed the hungry right in our own community.
- In April, we began the Ink Cartridge Collection through information we received from Dan Collins — this fundraiser will be continuing into next year, so remember to keep bringing them in. Not only are we receiving money for the donations, we are helping the environment by recycling as well. Also in April, the Student Council sponsored the “Homework Pass” fundraiser — This was a popular fundraiser! For a \$1 donation, students were granted NO HOMEWORK for the day. I, for one, thought it was money well spent.

In closing, I want to personally thank each member of the Student Council for all your hard work. Congratulations to our Secretary, Michael Micek, as he moves on to Lyons Township High School. Thank you to our seventh grade officers: Vice President Nicole Magats and Treasurer, Maddie Cole. You showed terrific leadership skills and really set a good example. Thank you also to the class representatives and alternates. Your contributions were so important in helping us accomplish everything that we did this year. Thank you to our wonderful moderators: Mrs. McCartney, Mrs. Kensek, and Mrs. Rose. We couldn't have done all that we did without you. And finally, thank you to Mrs. Hillgoth (Principal) and Mrs. Connelly (Assistant Principal), you always treated our ideas with respect, encouragement and support.

Congratulations to the new officers of Student Council! I wish you the best next year. I'm sure you'll make St. Cletus proud. And always remember that it's a great day to be a CARDINAL !!!!!

Sincerely,

***Alyssa Condotti***
