IMPORTANT NOTICE

Cardinal Cupich has mandated the suspension until further notice of all liturgical services (weekend and daily masses, confessions, reconciliation services). In addition, he has mandated the closing of schools and religious education programs operated by the archdiocese.

This mandate will continue through Easter. Palm Sunday and Holy Week Liturgies will not be celebrated publicly in our parishes. Easter sacraments for RCIA candidates and catechumens are to be postponed – guidance will be provided later on when they might be celebrated after this crisis subsides.

Please continue to pray for the People of God and for all whom the Coronavirus and these closings affect.

COVID-19 Update

ARCHDIOCESE OF CHICAGO

**March 19, 2020**

Dear Friends in Christ,

During this time of uncertainty and anxiety, I pray that you and your loved ones are safe and healthy. This crisis challenges us to act responsibly by following the social isolation guidelines while striving to stay close emotionally and spiritually to our families, our friends and our communities. Please join me in praying for those affected by COVID-19, as well as our first responders, health care workers and individuals who have lost income due to precautionary closures.

Times such as these highlight the need for the spiritual sustenance and community connectivity our Archdiocese parishes provide every member of our Catholic community. To protect the safety of our community, most pastoral services are currently being performed virtually. I invite you to visit our website, www.archchicago.org for up-to-date information on televised liturgies and other resources.

It is critically important that our parishes and pastors receive the offertory support they need to remain operational and sustainable despite the suspension of weekly Masses. The Archdiocese has developed a universal online offertory page where the faithful can make an offertory donation to any parish in the Archdiocese. These donations will assist the parishes with ongoing expenses related to ministry, maintenance, staff and other pressing needs, that depend on regular offertory support from parishioners. I encourage you to contribute online to your parish at or above your usual offertory amount. Many of our parishes are suffering significant financial hardship during this challenging time. Your online support will make a critical difference.

Additionally, as we are sensitive to the financial hardship suffered by many in recent days, we have also launched a Coronavirus Emergency Fund. This fund will support members of our community who have been negatively affected by the pandemic. For example, the fund will support parents of Catholic school students who might struggle with tuition payments because of unexpected job loss, ministries providing the needy with sustenance or parish communities deeply harmed by the pandemic. Our neighbors down the street and across the Archdiocese need our support at this critical moment. Your donation can help provide them with that support.

Please visit www.archchicago.org/coronavirus/donate to support parish offertory, the Coronavirus Emergency Fund or both as your means allow. Your generosity is needed now more than ever. Our Archdiocese community has always come together to support one another during times of need, and I ask you to do so again. Please continue to pray for each other, as I continue to pray for you.

Sincerely yours in Christ,

Cardinal Cupich
Archbishop of Chicago

Sunday Notes

GIVE GLORY TO GOD

On the Fifth Sunday of Lent, just before we begin to enter Holy Week, we are summoned to Bethany. If we had been friends of Mary, Lazarus, and Martha, and found out that Lazarus was gravely ill, we probably would have dropped everything to be with them. This was what was so surprising about the behavior of Jesus. Although he was their close friend, he chose to stay away, that God's glory would be manifested. This is a persistent theme in John's Gospel. Right to the very end, Jesus' works were meant to give glory to the Father. As our Lenten journey reaches a crescendo, let us be mindful that, as people who have "put on Christ" in baptism, we are also called, by our attitudes and actions, to give glory to God.

SAINT POLYCARP (DIED 155)

February 23 — "Eighty-six years I have served Christ, and he never did me any wrong. How can I blaspheme my King and Savior?" Boldly answering the official who demanded he worship pagan gods, Polycarp, today's "Senior Citizen Saint," demonstrates that courage, far from being the preserve of the young, is a virtue cultivated through lifelong fidelity and crowned by final perseverance. A disciple of Saint John, who is said to have consecrated him bishop of Smyrna in modern-day Turkey, Polycarp witnesses to the truth that, whatever time and space may separate us, Jesus' gift of the Eucharist unites us. Polycarp's final words, preserved by the Church of Smyrna, sound like a Eucharistic Prayer in which the saint offers himself: "Lord, almighty God, Father of your beloved and blessed Son Jesus Christ, through whom we have come to the knowledge of yourself . . . may I be received among the martyrs as a rich and pleasing sacrifice . . . through the eternal priest of heaven, Jesus Christ . . . through him be glory to you, together with him and the Holy Spirit, now and forever. Amen."

DAILY REFLECTION ST. JOHNS ABBEY

*Psalm 62: "In you alone is my soul at rest.
My help comes from you."*

What a change! From being an oft-persecuted sect, Christianity had become by 380 CE a state religion. It became fashionable to be a Christian; it was a way to advancement. Laws were made to promote the faith. It all sounded good to many Christians and such an arrangement continued in many places till modern times. Unfortunately this often meant that Christians did not feel personal responsibility for their faith. Being a Christian was more a matter of where you were born than of genuine personal commitment. Believers depended on laws to enforce Christian belief and morals. The temptation to do that is still with us. When people aren't convinced of the Christian stand on a moral issue there are always some who think making it into law would help.

The brief parable of Jesus about how a small amount of yeast is able to permeate and transform a large amount of flour suggests a better way to influence our society than by laws (Matthew 13:31-35). People who believe in God's love can spread that by quiet lives of faithfulness, joy, and genuine love. Observation tells us again and again how powerful individual example can be, how people are led to Christ not by argument, force and talk but by good example. The life of Christ in his members, nourished at the Eucharist, makes this example possible.

Food Pantry Update

We are adapting quickly to the changes that continue to come our way, while still continuing to meet the increasing need of our neighbors. Our first week of food pantry distribution during “shelter in place” went very well. **We saw a 22% increase** in households receiving food, from just the week before. We only expect this number to increase as more and more people are out of work, get sick, lose health insurance, etc.

In order to keep everyone safer we have made a number of changes:

- Switched to prepacked bags of food
- Only offering curbside pickup, like a drive thru
- Cut back the number of volunteers at each shift
- Encouraged our “at-risk” volunteers to remain at home
- We are only releasing our volunteer sign up one week at a time. We want to make sure when you sign up you are in good health and not trying to sign up weeks from now.

We have been in regular contact with the Greater Chicago Food Depository. We are so grateful for their strong leadership during this crisis.

We also want to express our gratitude to all of you. Your support has been overwhelming! Thank you!

DONATIONS NEEDED

We have been given an anonymous matching grant up to \$20,000! Can you please help us match this donation? We have never come to you like this before!

With the current pandemic, our neighbors need help now more than ever. We are here to help. To ensure we have the necessary resources, we need adequate funding. Please consider making a tax-deductible donation to help us continue our services. All donations go directly to the operation of our pantry. We appreciate your support! Here are some benefits to making a monetary donation:

- A monetary donation can stretch 8-10x further than it would at a grocery store because we can purchase items at a deep discount through the Greater Chicago Food Depository.
- Funds allow us to buy what our clients need, when they need it.
- Food donations must be sorted, dates checked, and processed by volunteers, which we are trying to limit during this pandemic.
- Funds allow us to purchase necessary safety and sanitation items, such as wipes and gloves.

All donations are tax-deductible

Online donations can be made here: <https://bit.ly/2UMNfeP> Or you can write a check

to "St. Cletus Food Pantry" and mail it to: 600 W. 55th St. LaGrange, IL 60525. **Can you help us reach the full amount of this matching donation?** Your \$10 donation becomes \$20, a donation of \$50 becomes \$100, and \$100 becomes \$200!
