WELCOME HOSPITALITY RECEPTION AND MINISTRY FAIR THIS SUNDAY!

Ring in the New Year at our first Welcome Hospitality reception and Ministry Fair of 2024. Join us this Sunday in the Parish Center after the 7:15 and 8:45 masses.

We welcome all new parishioners along with everyone we see each week at church and school so we can continue to build our strong community. During the reception, you'll have the chance to visit with our various ministries and find the perfect match to your talents.

We look forward to seeing everyone there and welcoming in a new year.

Pastor's Note

*“Rise up in splendor, Jerusalem!
Your light has come,
the glory of the Lord shines upon you.”
Isaiah 60:1*

Dear Friends,

Today we celebrate the Solemnity of the Epiphany of the Lord. Epiphany means “to shine upon,” “to manifest,” or “to make known.” In other words, today we celebrate the many ways that the Son of God has made Himself known to us. The Gospel of Matthew tells us about the visit of the Magi (Mt 2:1-12), Mark about the baptism of Jesus (Mk 1:9-11), and John about the miracle at Cana (Jn 2:1-11). Each of them carefully shows us the mission and divinity of Christ.

How is the Son of God making Himself known to you in your daily life? Are you able to notice his presence, spirit, and love in your life, the life of your loved ones, and at work? How are others noticing his presence and closeness through you?

I am happy to let you know that he has been present and even closer to me since my arrival to St. Cletus Parish, July 1st, 2021. I have felt and continue to feel his spirit, guidance, and love every day. Quite often he wakes me up early in the morning. He likes to take me out for a walk which I am learning to enjoy more and more. He is also making himself known to me through your kindness, friendship, and prayers. He has been and truly is behind every effort and initiative that has brought us together and enables us to celebrate at our parish.

Another place where I notice the Lord's presence, love, mercy, and kindness is in the celebration of the Sacrament of Reconciliation. At our parish, we offer Confession every Saturday at 8:30 AM to 9:15 AM. I am noticing that more people are coming to Confession. There have been times when I heard confession until 10:15 AM. Other times, Fr. Michael and I would be hearing confession on a given Saturday morning due to a large crowd seeking reconciliation. People want to be forgiven, to experience, and to receive the love of God through the celebration of the Sacrament of Reconciliation. Fr. Novick and I want to make ourselves available and be there for you. I see this as a clear manifestation of the closeness of the love and mercy of Jesus Christ. Thank you for bringing me closer to Him.

As we grow in our awareness of the presence and action of Jesus Christ in our lives and parish and after consultation with our Parish Staff, I am delighted to let you know that we will be hosting two opportunities that will help us grow in friendship, collaboration, and appreciation. On February 12th, 2024, starting at 6:30 PM we will host: “An Evening of Encounter with Our Parish Staff.” This encounter will take place in the Parish Center. Then, on April 17th, 2024, at 7:00 PM we will host: “An Evening of Encounter and Prayer with Our Deacons and Priests.” That will take place in our beautiful church. Please mark your calendars accordingly and assist me with your prayers so that in both encounters we can sense and celebrate the action of Jesus Christ.

If you feel the Spirit of Jesus Christ is inspiring you to write and share your own experience of the manifestation of Jesus Christ in your life or in the life of a loved one, please feel free by emailing it to me at eromero@stcletusparish.com

I would love to have your experience in our parish bulletin, without using your name. Others will find your experience of Christ helpful.

May Jesus Christ dwell with us, keep us from all harm, and make us one in mind and heart in 2024.

Fr. Elmer Romero

Note From Father Mike

God knows what He is doing!

It sometimes remains a mystery as to why the story of the Magi happens a couple of weeks after the Savior is born. Of course, we have the story of the Holy Family on the Sunday in between Christmas and Epiphany, which also doesn't feel right because on that occasion we are told about Jesus' being found in the temple as a young boy, not as an infant, but the following week, Jesus is back to being an infant. Wouldn't you think it's the other way around?

YET, God knows what He is doing! The Holy Spirit particularly knows what He is doing in putting these events and celebrations in the order in which they come to us. Even a few days before we celebrate the Holy Family, the Feast of the Holy Innocents is celebrated – that fateful day when an outraged and jealous King Herod orders the slaughter of all boys in Bethlehem 2 years old and under. Talk about evil – evil that arose from fear. Did Herod think he was God? Was this mimicking the first Passover? Interesting thought. So many little lambs sacrificed that THE Lamb would live.

For many years, January 1st was known in the Church as the feast of the circumcision of Jesus. While the focus of the holy day changed from the circumcision to the motherhood of the Blessed Virgin as the Mother of God, it's the same scene from the gospel read that day. The man in the temple area named Simeon praises God for allowing him to see the Christ before he should die. Nothing is said of the circumcision taking place, but it's understood that is the eighth day after Jesus is born, and named at the temple according to Mosaic law. Again, why do we hear this story? It's for the sake of the community St. Luke was writing to – it was proof that the man of whom he was writing was in fact a human being from among the Jews.

YES. God knows what He is doing!

So what about the Magi? It's very interesting to note one major piece of information. The story happens in Matthew's gospel, not Luke's. Wouldn't you think that since Luke's audience is the Gentile community a story of outsiders visiting Jesus would make more sense? No, Matthew tells his audience in Rome that God has not only revealed His plan in Christ to the Jews, but to all nations. "They (the Magi) departed for their own country by another way."

These are all little things that I've clung to for many years in hopes that one day they would blossom. Maybe there will be more growth in the future.

Fr. Mike (HAPPY NEW YEAR)

Art and Environment

To the entire St. Cletus Community, it has been a pleasure to design, plan, and execute the various set-ups of the sanctuary over the last year and a half. It all started with making a recommendation on how some flowers should be arranged in a vase, one thing led to another, and Arts and Environment "Committee" came to be. Since then, we have completed:

(2) Thanksgiving, (2) Advent Seasons, (2) Christmas, Lent, Palm Sunday, Holy Thursday, Good Friday, Holy Saturday, Easter, Confirmation, First Communion, Month of Mary, Pentacost, Holy Trinity, Graduation, 4th of July, Adoration, Holy Moments Service, Ordinary Time, Our Lady Of Guadalupe, and All Souls Altar.

Thank you to each and every one of you who has supported this ministry. Especially all those that shared photos of loved ones for All Souls Day. Many of you have shared your sincere appreciation and gratitude with real feedback, not just words after one or more of these events. You have stopped to share the wonderful experience and a moment of gratitude. It is all for the heart for you, the St Cletus Community.

Those who have been interested in volunteering, are always advised that it is a lot of bending, twisting, squatting, reaching, lifting, and very delicate work that requires attention to detail. And we all do the work side by side. As my grandfather would always say, "para mandar tienes que saber trabajar." If you're going to be in charge, you have to know how to do the work. Yes, it can also be time-consuming, which is why we appreciate those who can help. We have taken days off of work to ensure everything is on point and can bring the very best to our parish.

All of this, however, would not be possible without the assistance of a few very special individuals.

The Maintenance Team, Derek, Ricardo, and Roger. They do all the heavy lift and climbing on ladders for us.

Camille Koch, who has been with us at Easter and 2 Christmases. She is such a loving, positive, and hardworking person who makes large setups so much easier. She is completely committed to seeing the vision come to life.

This year, we had Eugenia Callison and Monica Herron stop by for a bit at Christmas to unload and unwrap close to 100 poinsettias, and both took time out of their busy day.

Fr. Mike who is always present start to finish and ready to lend a hand anywhere necessary.

Of course, all of these natural plants and arrangements need regular care and watering. Nancy Johnson has been dedicated since last year, making sure everything is watered and last as long as possible.

THANK YOU!!!!

Finally, to my beautiful wife, Clara, who keeps me grounded and level-headed, especially when something isn't going to work as planned. She is my right hand, and I couldn't do it without her.

Thank you, everyone, at St. Cletus! It has been challenging at times, but it is a pleasure to do this for all of you. While this can't be forever, we'll see what 2024 may bring.

God Bless.

Kris

FOOD PANTRY

This is a 52% increase from 2022! Our biggest year at the pantry EVER!

Thank you!!!

We could not do this important work without you.

We celebrate the generosity of this community and the many ways we are able to support our neighbors. However, we pray for and continue to work towards ending food insecurity in our country. No one should have to worry about buying groceries and affording their home, medical expenses, or utilities. We have all experienced the increased cost of food this year and it shows. Thank you for your generous support of this important work and for enabling us to continue to meet the growing needs of our neighbors.

We have had many food drives over the holiday! Thank you to:

- Kwak’s Spread Joy
- Lyons Township High School
- St. Cletus School
- Kelli Joy O’Laughlin Memorial Foundation
- Jewel-Osco Countryside

St. Cletus School Student Council helped organize a winter food drive. Each grade was assigned an item or two to bring in. They also collected \$623 for the pantry! Thank you so much!
