ARCHDIOCESE OF CHICAGO

Office of the Archbishop

Post Office Box 1979
Chicago, Illinois 60690-1979

Phone: (312) 534-8230
Fax: (312) 534-6379

Dear Brothers and Sisters in Christ:

In the midst of Lent, with its drama of sin and grace, of evil and good, I write about a threat to our freedom to practice our religion in our State.

Before the Illinois General Assembly there is a proposal (HB 2354, the “Reproductive Health and Access Act”) that would remove the right to conscientious objection to abortion and related procedures for all health care workers. Thirty years ago, we were told that abortion is a rare but necessary tragedy and that abortion providers should not be legally punished. Today we are being told that abortion is a human right and that those who qualify it in any manner or who will not provide it should be legally punished.

This proposed law will drive Catholic doctors and nurses from health care and will make it impossible for Catholic hospitals to continue to be places where life is always respected, where no one is deliberately killed. In our country, we recognize conscientious objection to war, even though defending one’s country is a noble and moral act. We recognize the conscientious objection of those doctors who will not cooperate in administering the death penalty, even for terrible crimes. Why do some Illinois legislators want to take away conscientious objection to abortion?

The enemies of human life and religious freedom in Illinois are well funded. Pressure on legislators is great and is increasing. I ask you to contact your Representative this week to express your dismay that the Illinois legislature, elected democratically, would debate a bill that removes freedom of conscientious decision-making for health care workers as a condition of their employment. If, as we are told, the State should not come between a doctor and a mother, then surely all can agree that the State should not come between a health care worker and God.

We have, unfortunately, had to get used to the fact that our laws no longer protect unborn human life; now we are to get used to the fact that our laws will no longer protect conscience. In 1844, Abraham Lincoln broke with his own party, the often anti-Catholic Whigs, and proposed: “Resolved, that the guarantee of the rights of conscience, as found in our Constitution, is most sacred and inviolable, and one that belongs no less to the Catholic, than to the Protestant; and that all attempts to abridge or interfere with these rights, either of Catholic or Protestant, directly or indirectly, have our decided disapprobation, and shall ever have our most effective opposition.” Illinois HB 2354 betrays the legacy of Lincoln in his home State.

This proposed law will rend the already fragile garment of our civic unity and further alienate many from our government. Catholics and all people of good will should work to ensure its defeat. I also ask you to thank those legislators who are courageously opposing HB 2354 and to pray for those who are supporting it. To contact your legislator, please go to www.ilga.gov, or call 312-368-1066. Thank you and God bless you.

2009 PARISH MISSION

LENT'S INVITATION:

"STRENGTHENING OUR SPIRITUAL CORE"

"A new heart, I will give you and a new spirit I will put within you."
(Ez. 36:26)

Reserve the dates:

March 23, 24, & 25 for some spiritual R and R offered by:
Fr. Rusty Shaughnessy, OFM.

Fr. Rusty is the retreat master at San Damiano Retreat Center in Danville, Ca. He holds a Master's degree in Theology and gives workshops, retreats, and Parish Missions throughout the US and internationally. He has also served in several suburban parishes in the Chicago area. Let's welcome Fr. Rusty as we welcome the opportunity to grow in our faith, as we continue to love and serve the Lord.

Each evening will begin with prayer at 7:00 p.m.

FOURTH SUNDAY OF LENT

In today's Gospel, the conversation between Jesus and Nicodemus reminds us during Lent that as we seek to put our spiritual lives in order, we cannot accomplish this task on our own. God has done for us what we cannot do for ourselves. We are reminded that we have been made able to see the kingdom of God; we have been given the gift of eternal life through the waters of baptism. As we continue our Operation Rice Bowl journey let us remember in **prayer** that we are called to be good stewards of what has been entrusted to us. Through protecting the environment in which we live, we respect the goodness of nature, a gift God has given. May our **fasting** keep us mindful of those who have no clean water to grow crops or to nourish their families. May our **almsgiving** assist Catholic Relief Services as we follow our Operation Rice Bowl Calendar to **learn** about agriculture programs in Honduras.

Do you know?

 Honduras, the second-largest country in Central America, is rich in natural beauty, with vast mountainous areas, fertile plateaus, river valleys and coastal plains. However, it is one of the poorest countries in the Americas, with two-thirds of its 7.4 million people living in poverty.

Honduras is struggling to overcome a violent past marked by wars and coups, military and authoritarian regimes, and the exploitative dictates of foreign companies. Hurricane Mitch devastated Honduras in 1998, causing tremendous loss of life, wreaking havoc on the country's infrastructure and exposing the extreme vulnerability of the poor. Honduras remains highly susceptible to tropical storms, droughts and landslides, and these recurring disasters affect poor, isolated communities most seriously.

High unemployment and high income inequality coupled with inadequate development and education have created a complex environment in which Catholic Relief Services strives to make a difference. Visit www.crs.org/honduras to learn more about CRS efforts to address the needs of the poorest and most vulnerable Hondurans.

GOSPEL OF MARK: MARCH 26; 8:45 - 10:00AM - ROOM 201

Please read Mark: 11 to the end (16:8) for our next session. Consider the following questions in preparation for our reflection on this part of the Gospel.

1. The cleaning of the temple by Mark is “sandwiched” between the two pieces of the fig tree and is meant to help us to understand both segments. How does it help here?
2. What clue is there for us in the cleaning story that Mark’s church was dealing with the “gentile” question?
3. Where in chapter 13 do we find urgings to:
 - a) Trust in the Father?
 - b) Be aware of the Lord’s coming?
 - c) Be vigilant?
4. Who is Jesus? -What does Mark want us to know at the end of the Gospel?
5. The best scholarship assures us Mark ended “the beginning of the Gospel” at 16:8, the empty tome - “they fled and said nothing” Why would Mark end the Gospel like that?

ST. CLETUS BOOK CLUB

UPCOMING MANNA CASH & CARRY

MANNA will be available after Masses in the church vestibule **NEXT WEEKEND, March 28/29**. Consider using Home Depot or Menards gift cards for your upcoming spring projects! Please call Erin Rhoads (708) 588-0510 or Leslie Doherty (708) 482-0257 with any questions or concerns.

Thank you!

... for your ongoing support of our Food Pantry! As we prepare for our April 2 food distribution, the items we need most are rice and dry pinto beans (the 1-3 # packages work best for us), jelly, canned fruit, meals in a can/box, canned tomatoes/sauce/paste, pasta, pasta sauce, paper goods and diapers. We are well supplied with soup and canned vegetables at this time. Please add one or two of these most needed items to your grocery list. Of course, any in-date non-perishables are always greatly appreciated, since our shelves empty quickly when we are assembling more than 200 bags of staples each month! Your generosity put smiles on the faces and hope in the hearts of our March 12 clients!
