**NOTES FROM FATHER BOB...****PENTECOST 2015**

*Today is the Feast of Pentecost, when we celebrate the birthday of the community we call the Church, created by the Holy Spirit. Today we affirm that we believe in the Holy Spirit – the Lord, the giver of life. How does he give us life? There are experts who produce reports on what gives us life that can perhaps shed some light on this. They say that we all need to be educated in relationships. We need to learn how to make and sustain lasting, quality relationships. These experts, who are not in the least bit religious, say that if we are to have happy, fulfilled lives, we need to realize that external things, like having more and more money, bigger houses, better cars, more exotic holidays, aren't what make us happy. Perhaps that is what Paul tells us when he says that self-indulgence is the opposite of the Spirit, leading to jealousy, quarrels, envy and the idolatry of materialism. Again, according to many experts, the things that make us happy and able to face the difficulties of life are a sense of belonging, a sense of community, a network of quality relationships. When they are in place, whatever is going on in the outside world, at least we have a measure of happiness in our own world.*

*That is exactly what we believe as Christians. St. Paul tells us that the Spirit is our life. In the gospel, Jesus tells his disciples that they too will be his witnesses. They are drawn together into a community of love, so that they can live out in their life together the love of God, to which they are bearing witness. Their actions reinforce their preaching. Put simply, you can't be a Christian by yourself. When people say 'you don't need to go to church to pray', they are right. But to be a Christian we do need to belong to a community if we are to do what Jesus commanded: celebrate the Eucharist, serve other people and bear witness to the world. That is why the Church is called into being. The same Spirit, who gave the apostles the courage to preach in Jerusalem and beyond, also enables us to be the Lord's witnesses to the people of our own time, but we cannot do these things alone.*

*Belonging to a community is part of what it is to be human, as well as Christian, part of what it is to have a happy, full and fulfilled life. It is the Spirit who draws us into community and so gives us life. The same Holy Spirit, who came upon the community of the apostles, is given to each one of us through the church community at our baptism and confirmation. But the Spirit is given for a purpose: so that we too can witness to the risen Christ. The Spirit equips us for this mission by giving us the gifts which Paul lists: love, joy, patience, kindness, gentleness – the gifts which make community possible.*

*As Paul tells us, we need to be open to the Spirit and to let ourselves be directed by the Spirit. This means allowing ourselves to enter meaningful, committed relationships with others, and working together in service of others and in witness to Christ. Today, with confidence, we can all ask the Spirit to give us his gifts and to enable us to proclaim the gospel of Christ by the quality of our love and the witness of our daily lives.*

**FAREWELL TO FATHER EDGAR**

*It very hard to believe that Fr. Edgar's seven year term with us here at St. Cletus Parish is coming to an end. Fr. Edgar will begin his new assignment on July 1, at Christ the King Parish in Chicago. We would like to wish him many blessings in his new assignment and thank him for his dedicated service and ministry to the parishioners here at St. Cletus over these past several years. Father Edgar will be truly missed by all.*

*To show our appreciation we will celebrate his years with us at a thank you celebration to be held on Sunday, June 7, 2015 at 12:00 p.m. (Noon) in Morrissey Hall. Please come and thank him for his priestly ministry and wish him well at his new assignment.*

*Pentecost Blessings to All,  
Father Bob  
Pastor*

**GOD'S WORD TODAY**

What marvelous imagery Pentecost offers us: peals of thunder and flashes of lightning, mountains wrapped in smoke, violent earth tremors, trumpet blasts, rivers of living water, strong driving winds, tongues of flame. All of these images signal the presence of the Holy Spirit. Our fifty-day celebration of Easter culminates on this day when we remember with vigor the inrushing of the Holy Spirit upon the disciples. As we listen to the words of scripture today, let us open our hearts to a renewal within ourselves and within the entire Church. Let us pray that the Spirit will take hold in us and strengthen us on our mission to bring food to the hungry, shelter to the homeless, and justice to those who are oppressed. *Veni Sancte Spiritus!* Come, Holy Spirit!

**YEAR OF SACRAMENTS • ONE WORD AT A TIME**

# Survive

©Veer

Across a lifetime, if we regularly participate in the Mass, we receive Holy Communion so many times that we can scarcely count them. And this is a very good thing. We keep returning to receive the Eucharist in order to **survive**. An old Latin hymn calls the Eucharist *esca viatorum*, which means "the food of travelers." It is an apt description of this great and wonderful sacrament.

We find ourselves on the road of life, and a bumpy road it is. We encounter smooth paths but also rough patches. We go straight ahead at times, but we also need to make detours. The journey can be arduous. We need sustenance. We need what it takes to survive. And that is the Eucharist, the sacrament of sustaining love and hope. With the Eucharist, we can keep moving with the knowledge that we are loved. With the Eucharist, we can advance because we know that we have a holy destination. With the Eucharist, we can survive the journey.

## Scenes From the Science Lab

Sixth graders were in the lab studying centrifugal and centripetal forces. To demonstrate the concepts, students whirled cups of water in the air. They then graduated to buckets half full of water. There was not a drop of water on the floor!

## Track Success

Despite the rain, during both the Junior Varsity and Varsity Championship Meets, nothing could cool off the Cardinals. Our athletes took home numerous medals and ribbons to cap off another successful Track & Field season.

## Building Bridges

As part of their land-form unit, fifth grade students researched and selected a style bridge and built it using construction materials in the lab. Once their bridges were built, they made a short presentation on where the actual bridges could be found in the world

## Raising Chicks

The third grade studied the parts and uses of eggs, incubation, and the development of the embryos. They were in awe as they observed the chickens hatch and were delighted to hold them when they fluffed up.

## STATUS OF PARISH TRANSFORMATION ACTIVITIES

Though the topic of Parish Transformation (PT) has not been actively mentioned in the past several months, it is important to note that several of the activities initiated in the Transformation process have already brought fruit to the St. Cletus Parish Community.

### THROUGH OUR PLANS OF MISSION DEVELOPMENT...

- We have conducted our Spiritual Gifts Inventory Workshops on two separate occasions. The workshops led by Kathy McNicholas (PA/DRE of Incarnation Parish) provided all participants with the chance to reflect on how God blesses us with spiritual gifts and works through us in our everyday lives.
- We have presented the Matthew Kelley's "*Rediscover Catholicism*" program to the parish and formalized a Parish Greeter program.

### THROUGH OUR PLANS OF SCHOOL DEVELOPMENT...

- We have piloted the Family Mass in March and April which was well received.
- We have developed a Parent Ambassador program to help mentor new school parents with questions that they have concerning school events and other related topics.
- On April 21, we held the "State of School" meeting. The pastor and the administration was there to answer questions.
- We are in the process of developing a 5-year plan with the Archdiocese of our physical plant.
- We continue to enhance school marketing through social media, church bulletins, and newspaper ads.

### THROUGH OUR PLANS OF FINANCIAL OBJECTIVES...

- We have enhanced our annual financing reporting.
- We have used more graphics in presenting our financial status throughout the year.
- We have used screen messaging in the Narthex to present timely messages of events and happenings.

These things were accomplished through the dedication of Parish Transformation members. Their efforts were diligent and persistent in setting a path to Transform our Parish to a more loving and caring Body of Christ.

However, we do wish to meet on Wednesday, June 3, at 7:00 p.m. in Room 201 in the Education Building to "refresh" our commitment and course in Parish Transformation. We encourage anyone interested in participating in the future plans of St. Cletus to please attend.

## A SIGNIFICANT DAY

"And suddenly there came from the sky a noise like a strong driving wind, and it filled the entire house in which they were" (Acts 2:2). The Holy Spirit's arrival on that first Pentecost was signaled by a rush of wind. We all know what it's like when our windows are open just as a summer storm rises up. Curtains fly, papers become airborne, house plants shudder, dust is scattered. A rush of wind disrupts the orderliness of our home. The coming of the Holy Spirit, as celebrated each year at Pentecost, can also disrupt ways that have become comfortable and orderly. The Church always needs Pentecost. We need the breath of God's Spirit to blow away any complacency or malaise that has settled into our faith. Jesus breathes on his disciples and they receive the Holy Spirit. With that reception comes the power to share the Good News of salvation. Today, this is no less true for us.

*“There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone.”*

**1 Corinthians 12:4-6**

By giving each of us different gifts, God made sure that the Church would have the right combination of time, talent and treasure that was needed to do His work. However, if one of us does not utilize our gifts, God’s plan goes unfilled. Some important work is left undone.
