NOTES FROM FATHER BOB...

Trinity Sunday 2015

One of life's greatest joys is to watch little children as they begin to explore the world on their own. We can see their eyes gradually open to the wonders around them. They are in to everything, experimenting with touch and taste, and learning to use all their senses. It is a challenging time for parents, especially when they learn to speak and ask the why, the what and the how. Handling their difficult questions is a great skill. It is a case of trying to satisfy their little minds for the moment, knowing that there is so much more to learn and that even then they and we may never fully grasp the mystery.

So, how do we deal with questions about things of which we are not really sure? For example, I may understand a little about jet engines and aerodynamics, but I still marvel that a huge plane manages to take off so gracefully.

Just like children, we adults are surrounded by a wonderful and mysterious world. Although we may reckon ourselves wise in the ways of the world, we are still very much aware of our inability to make complete sense of it all. Often we can give no clear answer, especially to the question, 'why?' In such moments it is good just to marvel at the mystery and rejoice in the fact that it is.

The word 'mystery' has a rich and deep Christian significance. It is a word that we use, not to avoid thinking about the 'big issues' of faith, but to help us explore our very limited understanding of the nature of God. This is a process which Jesus himself, Son of God but incarnate as a human being with a finite human comprehension, has entered before us.

Jesus was aware of a Father who loved him passionately. He knew that God was no distant landlord unconnected with his life. God was Abba, Father, desiring the love of his children and desiring the very best for each one of them. There can be no logical explanation why God should love his creation so intensely. Our theologians and philosophers may strive for answers, but, in the end, we simply have to acknowledge, that is just how God is. That God wants us to be close to him is a great mystery, yet it is also the fundamental truth underlying the faith we profess.

Jesus was not content simply to explain his theory of God the Father. He strove to demonstrate the mystery of God in the building up of God's Kingdom here on earth. He came, not simply to educate us, but to enliven, liberate, and inspire us. He came to fill us with the Holy Spirit, God's uniting love. Just like people who stand amazed at a wondrous sight, Jesus is not content to keep the experience of God as Father to himself. He has no option but to invite other people to marvel at the same mystery. This is the reason for the great commission we witness in today's gospel.

The first command of Jesus is 'to go'; to leave the safe secure world and be active. Our sharing in the mystery of God is not simply a passive wonder, it drives us to leave our isolated worlds and stride forth with zeal in our desire to draw others to experience the same mystery.

Next, Jesus instructs his followers to 'make disciples'. Ideally, before we formalize our adherence to a particular way of life, code of conduct, or belief system, we should have experienced the value of such a commitment. For Jesus the first reality is that people should be introduced to God as father and be so amazed by the encounter that they are then drawn to commit their whole lives to God. Perhaps too often we have tried to force others to accept the 'package' without introducing them to the giver of the gift. When this happens the mystery is reduced to abstract ideas – one-in-three, three-in-one – rather than a vibrant life-giving relationship.

Once we come together in God's family we can teach each other, to witness in word and deed to the mystery of love in our lives: to do what Jesus commands. We become a people who are 'tuned in' to the greatest mystery of the universe.

*Blessings and Prayers,
Father Bob
Pastor*

ADORATION AND BENEDICTION

Come and adore our Lord in the Blessed Sacrament on Tuesday, June 2, 2015 and every first Tuesday of the month. Adoration begins immediately after the 8:00 a.m. Mass. The Chaplet of Divine Mercy is prayed at 6:15 p.m. followed by Benediction.

Hispanic Adoration continues from 7:00-8:00 p.m.

FAREWELL TO FR. EDGAR PLEASE NOTE DATE CHANGE!

It very hard to believe that Fr. Edgar's seven year term with us here at St. Cletus Parish is coming to an end. Fr. Edgar will begin his new assignment on July 1, at Christ the King Parish in Chicago. We would like to wish him many blessings in his new assignment and thank him for his dedicated service and ministry to the parishioners here at St. Cletus over these past several years. Father Edgar will be truly missed by all.

*To show our appreciation we will celebrate his years with us at a thank you celebration to be held on **Sunday, June 28, 2015 at 12:00 p.m. (Noon) in Room 98 in the Education Building.** Please come and thank him for his priestly ministry and wish him well at his new assignment.*

GOD'S WORD TODAY

In today's first reading Moses reminds the people of all that God had done for them. The Israelites kept falling into patterns of forgetfulness, not remembering the great things that God had accomplished. On this Trinity Sunday, perhaps we need this kind of reminder as well. The Lord has given us the gift of this community of faith in which we celebrate the sacraments and continually taste and see God's abundant goodness. We stand in awe on this day of the liturgical year. We are awed by our God who has done wondrous things for us. And for all that this God—Father, Son, and Holy Spirit—has done, we give thanks and praise. From *Saint Margaret Sunday Missal*, copyright © J. S. Paluch Company

SECOND COLLECTION
NEXT WEEKEND JUNE 6/7

This fund raising campaign will benefit **just** the retired priests of the Archdiocese of Chicago and is not to be confused with the Annual National Campaign for Retired Religious (nuns, priests, and brothers).

Thank God many continue to serve our needs. About half of our retired priests, who can still drive, are happy to help out in priest-short parishes, hospitals and wherever you need them.

The older, sick or infirm priests live with fond memories of you and pray for your needs daily. They will be grateful for whatever you can give.

THE MOST HOLY TRINITY
MAY 31, 2015

Go . . . and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit.

— Matthew

THE TRINITY IS LOVE

Theologians throughout the Christian centuries have spilled much ink (and, on occasion, some blood) in describing and defining the mystery of the Holy Trinity. One of the earliest, most poetic, and beautiful descriptions comes from St. Augustine in *De Trinitas*, wherein he describes the Trinity as One (the Father) who loves, One (the Son) who is loved, and One (the Spirit) who is love. And these three Ones are also one Three.

It might be wisest for us to leave the technical wranglings to the academic theologians, and focus on the fact that the three Persons of the Trinity are indeed persons; they are best known and understood in their love for each other and for us. We are made in the image of those loving persons, and our best relationships are lived out in the context of love. Truly loving relationships are inexhaustible mysteries to be lived in joy. If this is true of our human relationships, how much more so is it true of our relationship with the Trinity. And how much more does it call upon us to be joyful, loving witnesses of the holy mystery of the One in Three. This is the mystery to which we were called when we were chosen to be God's own, baptized with water in the name of the Holy Trinity.

TREASURES FROM OUR TRADITION

There are plenty of "treasures" in our tradition that if resurrected today would cause anxious moments for bishops! Many concern marriage. There was a time when the church "consecrated" both virgins dedicated to prayer and charity, and brides dedicated to husband and family. Virgins were blessed in the sanctuary of the church, and brides in the sanctuary of the home. The custom of blessing the bride in the marriage chamber was standard in England, Ireland, Spain, and France until the eleventh century.

If the groom (the groom's side planned the wedding) chose from the full menu of liturgy, there would be a blessing of the bridal room, solemn evening prayer on the eve and morning prayer on the day of the wedding, a blessing at the church door of the spouses, and then in the church for the wife alone during Mass, and Communion. After the feast, a priest would represent the bride's father in presiding over the legal process by which the bride transferred from her father's clan to her husband's. Some enduring customs harken back to these days when marriage was seen as a contract between men (the bride's father and the groom) and was not so much about living out one's baptismal call, and certainly not about the equality of the spouses in Christ. Happily, this baptismal focus has been restored and unhelpful customs set aside by today's marriage rite.

First Graders Making Rosaries

During the week, first graders learned about the different mysteries of the rosary. As a school, we are saying one decade of the rosary each morning during the month of May.

Biography Bottles

Fourth grade students selected a biography to read for their book reports then created a bottle buddy character representing their biography subject using a 2-liter bottle. Students also wrote reports including interesting facts about their individuals, significant achievements and reasons for selecting them.

SC Ecology Club Plants Flowers

The following Ecology Club members in 5th & 6th grades volunteered to weed & plant flowers in May. Faith, Beth, Katie, Talia, Brianna, Casey, Caden, Maureen, Bella, Michael, and Gianna worked diligently as they weeded several beds around campus and planted flowers. Kevin, Andrea, and Pranika were three 8th grade students who helped as service hours volunteers. Check out their fine work on the east side of the Junior High wing!

“The Spirit itself bears witness with our spirit that we are children of God, and if children then heirs, heirs of God and joint heirs with Christ...” **Romans 8:16-17**

If we are heirs to the kingdom of God, shouldn't we work to build up His Kingdom? Shouldn't we be good stewards of our inheritance, using our time, talent and treasure to care for the Church that God has left to us? Our Church is a treasured heirloom from God. Do we treat it that way?
