[Christ Jesus] humbled himself,  
becoming obedient to the point of death,  
even death on a cross.

### GOOD FRIDAY COLLECTION

The Collection for the Holy Land, in the words of Paul VI is "not only for the Holy Places but above all for those pastoral, charitable, educational, and social works which the Church supports in the Holy Land for the welfare of their Christian brethren and of the local communities." \*

Every year on Good Friday, a collection is taken up in Catholic Churches to support the work of the Franciscans working in the Holy Land. Christians there rely heavily on the help that comes to them during this special day in the Church and our life of faith.

# Notes from Fr. Bob...

## **PALM SUNDAY**

It is not easy to understand all that is happening in today's Gospel, even with the benefit of hindsight and the experience of the Church. How much harder it must have been for the disciples, who found themselves in the very middle of the proceedings. They lurch from the intimacy and trust of the Last Supper to the pain and loneliness in the garden, then on to the confusion and fear of the trial. The fear leads to panic, so they flee, and finally they hear the news that their master is dead.

These are the same men who saw the many miracles worked by Jesus, who realized that he made a difference wherever he went. But on Good Friday they didn't understand what was going on and were afraid for their lives. Nonetheless, for all their lack of faith, courage and fidelity, this was not the end of their relationship with Jesus. Soon after the crucifixion, they realized the full significance of what had happened that day on Calvary, and their lives were changed forever.

In Mark's Gospel, Jesus' identity is fully affirmed, not by one of his close disciples, but by one of his executioners. The centurion states, when Jesus dies, that "in truth, this man is the Son of God." Here is a soldier who was not around Jesus during the glory days, witnessing miracles and conversions. But in the death of Jesus he finds something extraordinary, something out of this world. There was obviously something in the way Jesus died which moved the hearts of people who otherwise wouldn't have cared about him. For the centurion the penny drops at the very end. But it is still not too late. There is still an opportunity to follow Jesus. Death has not brought an end to this story; the best is yet to come.

When, in our quieter moments, we sit confused, wondering about Jesus and our faith in him, it is all too easy to think, "If only I had been around 2015 years ago and had known Jesus in the flesh. If only I had been one of his disciples and had seen him cure and preach. If only...then my faith in Jesus would be stronger and my relationship with him would be more real." But the reality is that we just don't know how we would have reacted, had we been around all those years ago. We might well have fled, we might well have sided with the authorities, we might well have shouted: "Crucify him! Crucify him!" The fact that we were not with Jesus during his earthly ministry does not prevent us from coming to know and follow him now.

For many people it is during their days of suffering that they come to realize who this man Jesus is. In our darkness and pain, we can relate to the pain and passion of Jesus and begin to have some appreciation of what he has done for us. By dying Jesus opened the way to the

Father  
and to heaven –  
for us now, for the people  
who have gone before us and for those yet to  
come. His earthly life was limited to a specific period of  
history, but through his death and resurrection he is now  
outside time and accessible to us all. We can know Jesus  
today, because he is the same now as he was 2018 years  
ago.

As we make the journey with Jesus through this week, let  
us be sure to take time to deepen our appreciation of what  
he has done for us. Then, like the centurion, we will be  
able to proclaim that Jesus is truly the Son of God. It is  
never too late to meet him.

## **HOLY WEEK 2018**

We are about to begin the most holy week of the year.  
The next few days signify the core of our belief in Jesus  
Christ as Lord and Savior. Do not miss this wonderful  
opportunity to participate in these grace filled days. Our  
Easter Triduum begins with the celebration of the Lord's  
Supper on Holy Thursday as we remember Jesus' gift of  
the Eucharist and our call to service; Good Friday  
reminds us of Jesus' ultimate gift of love through his  
suffering and death on the cross; Holy Saturday we  
experience the light of Christ and the renewing waters of  
Baptism as we celebrate Jesus' glory through his  
resurrection. Let us join together as one faith community  
in celebrating God's love for us in Jesus Christ during  
these most holy days.

## Holy Thursday Visit of the Seven Churches

On March 29th, right after Holy Thursday Mass we will be visiting churches following the ancient tradition of "The Visit of the Seven Churches." This tradition originated in Rome. It was the custom for the faithful of the Early Church to visit the seven major basilicas as penance. The tradition today calls us to accompany Jesus in his agony by visiting seven Catholic churches and, for an indulgence, to pray for the intentions of the Pope.

St. Cletus Parish will take part with our own parish and then visit 4 additional churches. The remaining churches are for you to visit on your own if you wish to do so.

A bus(es) will be waiting outside St. Cletus after our 7:30 p.m. Holy Thursday Mass.

**If you plan to join us, please contact the rectory at (708) 352-6209 to ensure we have adequate transportation.** Thank you.

*The parish would like to thank our Holy Name Society for sponsoring the transportation cost of this event.*

## Social Concerns Ministry

### FOOD PANTRY

Most needed at this time:

- Baby wipes
- Canned or dry milk
- Cleaning supplies
- Cereal

Donations can be dropped off before or after masses or anytime daily between 7:45am-4pm in Food Pantry bins in the Narthex (at the back of church).

### GCDF

A special word of thanks to our St. Cletus team of Greater Chicago Food Depository volunteers. On the 4th Wednesday of each month, 10-15 volunteers work to earn \$15.00 each toward our GCDF food purchase. This is a great financial help since the Food Pantry purchases quality items at low prices each month to supplement donations from our parishioners and friends in the community. Our money goes much further at the food depository!

If you are interested in joining our group on one or more of the upcoming 4th Wednesdays, e-mail Jerry, [jerryconverse@gmail.com](mailto:jerryconverse@gmail.com), or contact Kendall.

*If you have questions or would like to volunteer with the Social Concerns Ministry contact Kendall Grant (708)215-5418 [kgrant@stcletusparish.com](mailto:kgrant@stcletusparish.com)*

### FOOD PANTRY UPDATES

This year we will be making many exciting updates and changes to our food pantry. Our long term goal is to improve the food pantry to best meet the needs of our neighbors where they are, serve them with dignity, and provide pathways to self-sufficiency. Most of the steps to achieve these goals will happen beginning in May. An overview of each of these changes is below:

**Permanent Space:** The food pantry has had a small storage space and each month we move everything into the Church Narthex for distribution. We are beginning to permanently move the pantry to the rectory basement and host our distribution out of this space instead of Church. This will allow us to expand our storage capacity, offer client choice, add freezers/refrigerators, and offer weekly distribution to clients.

**Extended Hours & Weekly Distribution:** We are thrilled to finally be able to offer distribution weekly (instead of monthly) to the clients starting in May. This increases access to food, particularly to working families, by extending hours and dates to open our doors on a more frequent and accessible basis. **Distribution will switch this to every Thursday night from 6:00-8:00pm.** Clients will still be able to come just once a month but will have many more options to come when it is most convenient for them.

**Client Choice:** This will allow us to shift from pre-packed bags to full choice distribution, encouraging healthy food choices, nutrition, and dignity for pantry clients by allowing them to select the items they wish to receive while also reducing food waste.

**Wider Variety of Items:** With this new space we will be able to offer meat, milk, and other cold/frozen perishable items. We currently have an onsite garden with 10 raised beds. With the increased space and distribution schedule we will be able to get our homegrown, organic, local produce to the clients more often so less food goes to waste.

**Technology:** Starting in April, we will switch over our paper registration book to the Greater Chicago Food Depository online client registration system, Food Bank Manager. This will streamline our intake process and significantly improve our capacity to track data.

**Volunteers:** These changes will shift some of our current volunteer roles while opening up many new opportunities for volunteers, especially during Thursday evening distributions. We will be looking for additional volunteers to help on Thursdays between 5:30-8:30pm. A Sign Up Genius will be used and can be accessed on the St. Cletus website under the Social Concerns-Food Pantry tabs.

All of these changes and updates to our pantry will help us to provide better service to more clients, more often. We will continue to post updates in the Canticle in the coming weeks with more details on each of these components and ways you can help. We encourage you to check back often as we move forward on these exciting updates. Thank you for your continued support of this important ministry.

### WORD OF LIFE

“Respect for the human person proceeds by way of respect for the principle that ‘everyone should look upon his neighbor (without any exception) as “another self,” above all bearing in mind his life and the means necessary for living it with dignity.”

Catechism of the Catholic Church, 1931.

### DOMESTIC VIOLENCE

**Monthly Domestic Violence Support Group - If you or someone close**

**to you is experiencing domestic violence,** this group may be very helpful. The objective of the group is to provide all a chance to talk about domestic violence and share questions, concerns and experiences with others who are facing - or who have faced - similar situations in confidence.

Please contact Kendall Grant at [kgrant@stcletusparish.com](mailto:kgrant@stcletusparish.com) or 708.215.5418 for more information.

## LENTEN OUTREACH ENCOUNTER OUR NEIGHBORS

We encounter Jesus this week in Jerusalem, a community he knew well. We prayerfully enter our own communities too, encountering those who are hungry and thirsty, those who need our help. How does our Lenten journey motivate us to serve those we meet in our daily lives?

Our St. Cletus Food Pantry was a 2017 local Rice Bowl Grantee! We are grateful for the generosity of the parishioners at St. Cletus and throughout the Chicago Archdiocese. Funds will be used at the food pantry to help with our expansion and updates. Thank you to all who contributed.

\*Please note, Rice Bowls are due back this weekend, March 24-25. They can be dropped at the bins near the door, in the collection basket, or at the Parish Center. Thank you for your generosity!

## GOOD FRIDAY WALK FOR JUSTICE

Friday, March 30, 2018 12 pm- 3:00 pm. Gather at the corner of Michigan Ave. & Congress Pkwy.

“Justice is what love looks like in public,” a quote by Cornel West, has been at the heart of why 8th Day Center created the public witness of its annual Good Friday Walk for Justice 38 years ago. This will be the last year the Center hosts its modern day Way-of-the-Cross.

We will revisit the issues and prayers used in previous walks, and connect those issues of the past to our current reality. We invite the walkers to reflect on how the same unjust systems and power imbalances contribute to our experiences today. What will our love look like in the future? Please join us for this holy act of love—to remember, to resist, and to be in solidarity with those working to dismantle unjust structures. Contact [8thdaycenter.org](http://8thdaycenter.org) or 312-641-5151 for more info.

# Palm Sunday of the Passion of the Lord

## PASSION

The contrast between the processional reading in today's liturgy and the proclamation of the Passion is striking. We are given a glimpse of how profoundly the word of God is fulfilled in Jesus.

First he must be hailed as the Messiah, the One who is to come. He must be acknowledged by all, though they do not know what they are saying. They think he is the promised king, a worldly king of the Jews who will free them from the Roman occupation. They do not yet understand, even the disciples, exactly where this triumphal procession is leading. In our lives, we too do not know where we are going. It is in faith that we can follow Christ wherever he may lead us, trusting that death is not the end, nor evil the victor.

—Paul Claudel

## TREASURES FROM OUR TRADITION

For many centuries, Christian pilgrims have longed to walk in the footsteps of Jesus, and on Passion Sunday the eyes of the world are on the *Via Dolorosa*, the "Road of Sorrows," in Jerusalem. As soon as it became safe for Christians to worship in public in the fourth century, a way was marked out. It was changed a few times over the years, and today's usual route was sketched by the Franciscans six hundred years ago, although Anglicans and Byzantines have their own unique detours. Friday is the most favored day, although it is crowded then. Almost everyone begins at the Lion's Gate in the Muslim Quarter, and ends at the Church of the Holy Sepulchre. It's less than a quarter mile, but it threads its way through crowded markets with souvenir shops and fast-food snacks. There are, just as in your parish church, fourteen stations along the way. The exact spots are not known, but what matters is the pilgrim's unique ability to see even an ordinary road in a teeming city as something more than meets the eye.
