

St. Cletus Parish

Official Designated Pilgrimage Site For the Jubilee

December 24, 2024-December 28, 2025

During the Jubilee of 2025, St. Cletus Parish will open its doors to people from all walks of life, inviting them to embark on a transformative spiritual journey. As a pilgrimage site, we offer not only the chance to pray, reflect, and seek forgiveness, but also a sacred space to celebrate the faith that unites believers across the world.

Whether seeking personal healing, spiritual renewal, or a deeper connection to their faith, pilgrims visiting St. Cletus Parish will experience a sacred environment where God's mercy and love are tangible.

For the Jubilee 2025, we will become a beacon of hope and renewal, welcoming pilgrims with open arms and guiding them on a meaningful spiritual journey during this momentous occasion.

Prayer for the Jubilee Year

Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of your Kingdom.

May your grace transform us into tireless cultivators of the seeds of the Gospel. May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the powers of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven. May that same grace spread the joy and peace of our Redeemer throughout the earth. To you our God, eternally blessed, be glory and praise for ever. Amen

—Pope Francis

A Note from the Pastor's Desk

"The family is a source of wealth for married couples, an irreplaceable good for children, an indispensable foundation of society and a vital community for the journey of the church."

Pope Benedict XVI

Dear Friends,

This weekend is Holy Family weekend, a weekend when the Church honors not only the Holy Family of Jesus, Mary, and Joseph, but also our family, all families, our parish family, and the institution of the family itself, which was deliberately designed by God.

With conviction and gratitude, we can say that the family is the single most important institution on earth. Why? Because it was given to us by God. Consider all the happiest, most peaceful, and most enduring societies in history. They have had a deep respect for the family. This is something that we also want, a deep respect for our family.

I encourage you to look back and ponder on the good things God has bestowed on you through the family he has given you. It is through your family that you learn life's most important lesson: unselfish love, the love that consists in the gift of your very self and life to others. Notice, each of us came into this world only because two other persons did that: laid down their lives for us. God gave us the gift of life we enjoy through our parents. And so, we are encouraged to honor, respect, and love our parents. We are also invited to be a source of life for others.

On Christmas Eve, Pope Francis opened the Holy Door in Rome to begin a Jubilee Year in 2025. He wants the Jubilee Year 2025 to be lived as a "year of hope." Pilgrims from all over the world will be making their way to Rome to experience that special time of grace, renewal, and mercy in their lives.

Cardinal Cupich will open the Jubilee Year locally by celebrating a special Mass at Holy Name Cathedral today (Sunday) December 29, 2024, at 12:30 PM. As

part of the Archdiocese of Chicago, we will join with the Universal Church in prayer and pilgrimage throughout the year. From December 29, 2024, through December 28, 2025, all are invited to participate in the Jubilee Year by visiting designated Pilgrimage Sites.

I am delighted to let you know that our parish, St. Cletus, is one of the designated Pilgrimage Sites in the Archdiocese of Chicago. I am grateful to Cardinal Cupich for granting us such an honor and a blessing. I am inviting you to take this blessing as an opportunity to deepen our relationship with God and one another so that together we can offer pilgrims our warm welcome, hospitality, and love.

I will continue to work with our parish staff and the members of our Parish Pastoral Council regarding this honor, blessing, and responsibility. Per the Archdiocese of Chicago, our schedule for Masses, reconciliation, and adoration will be posted on the Archdiocesan Jubilee Year page. If you could, as you come to Mass acknowledge and welcome pilgrims that might be praying at Mass with you.

Meanwhile, may the Feast of the Holy Family of Jesus, Mary, and Joseph instill in us a deeper appreciation of our parents and those who love us unconditionally.

Fr. Elmer Romero

A Note from the Associate pastor's Desk

Feast of the Holy Family

Once again, Merry Christmas to all! I hope everyone had a great celebration as we remembered Jesus Christ's taking on flesh. What an amazing moment it must have been for Joseph and Mary! Not only did the angel's message get fulfilled, but how precious and adorable He must have been too!

The gospel story in St. Luke's account of when Jesus was a younger boy and he stayed back at the temple, only for Joseph and Mary to realize he was not with the group, is one that I am sure many people who have had children get lost in the grocery store could certainly appreciate. Nowadays, police would have been notified, the news might have been called, and, Joseph and Mary might have even been accused of child neglect. But they went back!

Of course, our tradition tells us that the Virgin Mary was perpetually without sin. So, she could not have become angry with Jesus. She simply says "Where have you been? Your father and I have been worried." Jesus responded "Did you not know that I must be in my Father's house?" It almost sounds snippy, doesn't it? Well, at least some of us make it sound snippy. However, Jesus does what is right.

He is obedient to Joseph and Mary. And we are told that He grew in wisdom and grace.

Now that is something we probably expected to hear about Jesus, right? He grew in wisdom and grace. That is really enough for us to know about Jesus' upbringing. What is it that make this family holy? Joseph was righteous in God's sight, Mary was kept sinless from the moment of her conception, and Jesus is both GOD and MAN. They are all great attributes. However, the holiness goes beyond that and it's in Jesus' obedience. Not only here when he is young, but He is obedient to THE Father to sacrifice himself for our sake and our sins.

My guess is that many of you (if not all) can relate to what I am saying. You know that your family feels more whole and on the same page when there is obedience and respect shown by everyone. Obedience tends to be something we think about from an authority viewpoint. We are obedient to our parents as they were or should have been to theirs. And ultimately, we ourselves learn to obey God. When we do that, we become more aware of His presence. We can feel HOLY.

Peace and good cheer in 2025!

Fr. Mike

Gospel Meditation - Encourage Deeper understanding of Scripture

By Father John Muir at ©LPI

December 29, 2024

The Holy Family

As a first-time pastor in a parish, I received a phone call one afternoon from a young married couple, "Father, our 2-year-old son drowned in our pool this morning. We are at the hospital. Please help us." I sped over. The little boy was gone, his body cold, slightly blue, laid out on a bed. His parents were distraught and in shock. For the next few years, I walked with the couple along their difficult and painful road. They openly shared with me how they were often tempted to blame and accuse each other for the loss. And yet, by God's grace, their love for each grew stronger and deeper as the years went by.

The Holy Family was not without its pain and loss, either. Luke tells us, after losing their twelve-year-old son, Joseph and Mary "**after three days found him in the temple area, sitting among the teachers...**" (Luke 2:46). We don't know specifically what those three days were like for them except for what Mary says: "**Your father and I have been looking for you anxiously.**" The three days of his absence foreshadow his death and burial. His finding in the temple is a kind of resurrection for his family. They had to learn, again and again, that their

family was becoming a place where death and resurrection was not only accepted but welcomed and celebrated. But surely they deeply felt the dangerous agony of their loss — just like every couple who has lost a child.

What losses in your experience of family still cause you anxiety? In what ways has God's presence seemingly vanished in your family? Will you keep searching for Jesus? Remember, he will rise and be found. Your family may be suffering, but when he is found, it will be stronger than ever before.

The Parish Office will be closed on January 1st, 2025

(Practicing) Catholic - Recognize God in your Ordinary Moments

By Colleen Jurkiewicz Dorman ©LPI

Where is Jesus?

Every mother who has ever lost sight of her child in a crowd, even for a few seconds, knows the panic.

I think of Mary living with that level of anxiety for three straight days. I doubt she slept, but I'm sure Joseph forced her to lie down at night, imploring her to think of her health, to rest while he kept on searching the streets of Jerusalem. I imagine her lying there, eyes open and staring at the ceiling. Mary, full of grace. Mary, spotless of sin. Weeping in the dark, whispering, "Where is he?"

It's an experience that we all have at one point or another. Running through the world, desperate and confused, just trying to find God and failing so miserably that we wonder if He's purposefully eluding us.

If Mary couldn't even find Him, do we stand a chance?

Why didn't Mary think to look in the temple? She had wisdom beyond anyone else who ever lived, at least when it came to Jesus. But I think God purposefully dropped a veil over her reasoning for these three days, so that He could show us it's okay to lose our way.

He isn't eluding us. In fact, He's trying to make it easy. He's staying put, in one place, the very place we should know to look. But the streets of our life are so crowded and loud, so full of distraction.

The Christmas season is about God revealing to us who and what and where He is. He has told us. The question is, have we listened?

AARP Tax-Aide Needs Volunteers for the 2025 Tax Filing Season

Looking for a rewarding opportunity to make a difference in your community?

The AARP Tax-Aide Program is now seeking volunteers for the upcoming 2025 tax filing season. It's not necessary for you to be an AARP member or to have a tax or an accounting background to volunteer. However, some knowledge of your own personal tax matters is very helpful. All returns are prepared on computers; thus, volunteers should be somewhat computer literate. Training classes will be held in January, 2025. Minimum time commitment during the filing season is 4 to 5 hours one day per week from early February to mid-April.

This income tax preparation and assistance service is offered to low and middle income individuals with special attention to those 60 years and older. Won't you help?

For further information about the program and to sign up as a volunteer, please visit: <https://www.aarpfoundation.org/taxaidevolunteer> or contact parishioner John Wagner at 708-352-0170.
